

Claims Management Workshops

2010

Free session to CGU policy holders

Session overview

These interactive sessions are designed to provide employers with an overview of how workers compensation claims are managed, in accordance with WorkSafe guidelines. These sessions are of particular value if you are a manager of staff, currently in a position with OHS responsibility and/or responsible for the management of workers compensation claims.

Program outline

- Types of WorkCover Claims
- Overview of the Claims Management Model
- Claim Segmentation
- Determining Liability
- Employer Obligations and Responsibilities
- Weekly Entitlements
- Return to Work and Injury Rehabilitation

“Our industry is one where we can make a difference to people in their time of need. We assist people not only to get back to work, but more importantly get back to their pre-injury lifestyle with family and friends.”

David Fryar
State Manager - Victoria
