Customer feedback

How to provide us with your feedback

We believe customer service is something that can always be improved upon and we seek continual feedback from our customers on our products, people and services to identify opportunities for improvement.

If you have been pleased with the service you have received, please provide us with your feedback. We acknowledge our staff when positive feedback is received regarding their level of customer service.

Alternatively, if you have been dissatisfied with the service or if you have experienced delays in having your queries answered or delays in having your requests approved, then contact our customer feedback team who will be happy to assist you.

What you need to do:

There are a number of ways you can provide us with your feedback.

- Phone our toll free number – 1300 307 952
- Write to:
