Travel And Health Checklist

The following checklist will help you to have a safe and smooth journey.

- Insurance** — purchase travel insurance before, or as soon as possible once you have paid the deposit for your trip. Call us to nominate a family member or friend to amend your policy on your behalf or organise a Power of Attorney in Australia if your trip is lengthy.
- Registration** — register your details with the Department of Foreign Affairs and Trade so that you can be contacted in case of an emergency.
- Passport** — check that your passport is valid for at least six months beyond the period for which you are travelling.
- Visas** — organise necessary visas before you leave.
- Credit cards** — check your credit card expiry dates and limits.
- Money** — organise any traveller's cheques, credit cards and/or cash you need for your journey. It is important to find out about the currency laws in the countries you will visit, as some laws will restrict how much money you can bring with you.
- Travel documents** — make at least two copies of your important travel documents e.g. passport, visas, itinerary, travel insurance policy, traveller's cheques and tickets. Take your originals and a copy with you on your journey and leave a copy with a family member or friend.
- Vaccinations** — visit your doctor prior to departure, or contact our Emergency Assistance Hotline regarding any vaccinations or any other precautions that may be recommended.
- Medications** — check that any medications you are taking with you are legal in the country you will visit. If you need to take essential medication with you, make sure that you carry a letter of approval from your doctor or dentist.

- Drivers licence** — check that your Australian drivers licence is acceptable in the countries you will visit. You may need to get an International Driving Permit which can be obtained from an auto club or association in the state or territory where you hold your current drivers licence.
- Adaptor plugs** — purchase adaptor plugs for any electrical equipment that you will take with you.
- Checking-in** — confirm the minimum check-in time with your airline prior to your departure.
- Deliveries/bills** — cancel any deliveries, e.g. milk and newspapers, and pay any bills prior to your departure. Ask a friend or relative to collect your mail and keep an eye on your home while you are away.
- Deep Vein Thrombosis (DVT)** — minimise the risk of DVT while travelling by drinking plenty of non-alcoholic, non-caffeinated drinks, and by exercising the lower limbs regularly to encourage blood flow.
- Luggage labels** — clearly label all of your luggage. Never leave your luggage unattended in a public place, and don't offer to carry anyone else's luggage through customs.
- Local laws and customs** — be aware of the laws and customs in the countries you will visit. Consular assistance cannot override these laws even where they appear harsh or unjust by Australian standards.
- www.smarttraveller.gov.au** — visit this site for more travel tips and travel advice. You can receive up-to-date travel information by email if you register on the smarttraveller website.
- Damaged luggage** — check your luggage as soon as you arrive at your destination. If you suspect your luggage has been damaged or tampered with, report it immediately to the airline and airport/port officials. If your luggage has been damaged or tampered with, seek compensation from the airline or airport/port and get written confirmation of the incident from them.

Medical and dental conditions that are pre-existing

Cover for pre-existing medical conditions are specifically excluded from this policy unless approved by us. This applies to any person whether or not they are a traveller covered under this policy, including you, your travelling companion, your relative, your travelling companion’s relatives, or your business partner.

To add **optional cover for a pre-existing medical condition**, see page 10 ►

There are some pre-existing medical conditions that we will cover you for automatically. We will only cover them as listed below, provided:

- you have no other related pre-existing medical conditions
- they are stable and well controlled, **and**
- you are not waiting for treatment, results of medical tests or investigations in relation to any of these conditions.

This cover is only available to you if you are a permanent Australian resident.

We will cover:

Optional cover for medical conditions that are pre-existing

You may be able to add cover for pre-existing medical conditions:

- that you, or any person insured under your policy may have, **and**
- that we do not automatically cover,

by applying for this option on your policy.

You will need to complete an online medical assessment to apply.

We must agree to cover the pre-existing medical condition.

This cover is only available to you if you are a permanent Australian resident. You cannot apply for cover for pre-existing medical conditions of any person not insured under this policy.

If we approve your cover, and you select this option, your approval number will need to be listed on your Certificate of Insurance and you will need to pay us any additional premium we ask for.

Should an approved pre-existing medical condition change, deteriorate or you discover you require new treatment or surgery before you travel, you will need to reapply for pre-existing cover before you depart on your journey.

If the pre-existing medical condition is not approved after you have completed the medical assessment process or if you do not want cover for, or do not tell us about, your pre-existing medical condition we will not cover any loss directly or indirectly caused by any pre-existing medical condition.

You cannot declare and apply for pre-existing medical condition cover after you have departed on your journey.

Pre-existing medical conditions of a non-traveller

We will cover you for claims arising from a pre-existing medical condition suffered by a relative not travelling with you who is hospitalised or dies in Australia after the policy is issued, provided at the time of policy issue and travel departure date:

- you were unaware of the likelihood of such hospitalisation or death, **and**
- the condition was stable, and this must be supported by the treating doctor

The most we will pay in respect of all claims under all sections of the policy is \$2,000 for *Singles* and \$4,000 for *Doubles*.

70 years of age and over

If you are 70 years of age or over before your departure date or during your journey, and you are travelling overseas, you are not automatically covered for your medical or medical-related losses.

You will need to contact us for a medical assessment. If we approve your cover you will be given an approval number.

Please read **General Exclusions** on page **37-40** ►

Please read **How to apply for insurance** on page **46** ►

Excess that applies when you make a claim

An 'excess' is your contribution towards the cost of a claim. The amount of the excess that may apply to your policy is shown on your Certificate of Insurance. We will reduce the amount we pay you for a claim for any one event by this excess.

Only one excess applies to each separate event.

- **Economy Plan** – for travel to New Zealand or South Pacific Islands
- **Australian Plan** – for travel within Australia only. Medical and dental expenses are not covered under an Australian Plan policy.

N.B. You may not be covered by Medicare or your private health fund if you are cruising in Australian coastal waters; if you wish to be covered for medical and dental expenses, you should consider choosing an overseas plan.

- **Cancellation Plan** – if you want insurance to cover cancellation costs only for travel in Australia or New Zealand.

If you change your destination during your period of insurance, please contact us or your insurance adviser to ensure that you are covered.

2. Decide if you need *Singles* or *Doubles* cover

Choose *Singles* cover if you are the only adult travelling.

Choose *Doubles* cover if you are travelling with one adult companion.

Both *Singles* and *Doubles* cover any dependant children.

We can offer cover for a child travelling alone but the *Singles* rate is payable for each child, and the policy must be purchased by a parent or legal guardian.

3. Cover for pre-existing medical conditions or persons 70 years of age or over

You will need to complete a medical assessment if you:

- have a pre-existing medical condition that is not automatically covered under this policy, **or**
- are 70 years of age or over before your departure date or during your journey, and travelling overseas.

Contact us or your adviser for an assessment.

Any dependant children travelling with you that have a pre-existing medical condition will also need to have a medical assessment completed.

4. Apply by contacting us or your insurance adviser

We will provide you with a premium estimate based on the plan that you choose.

Your premium may be higher if you have a pre-existing medical condition we have agreed to cover.

5. Take out your policy

Take out your policy by paying your premium. We will issue you with a policy that is made up of your Certificate of Insurance and this Product Disclosure Statement (PDS), plus any Supplementary PDS we may issue.

6. How to cancel your policy

We provide a cooling-off period that lets you cancel your insurance for a full refund within 21 days of us issuing your policy to you.

However, your cooling-off period no longer applies once you commence your travel, or make a claim within this time.

If you cancel your policy after the cooling-off period, we will refund the amount you paid, less the cost relating to cover for any used period of insurance and less an administration fee of \$50. However, no refund will apply after the cooling-off period if you have submitted a claim or if you have purchased the *Cancellation Plan*.

If you cancel your policy after the travel date noted on your Certificate of Insurance has passed, we will require written proof of the cancellation or shortening of the journey from your travel provider.

How to extend your policy

If you decide to extend your journey and want cover for the additional time you are away, please follow these steps.

1. Contact us or your insurance adviser to ask for an extension

An extension is only available before the current policy expires and if you are a permanent resident of Australia.

You can extend your policy up to three times, but the total of your period of journey on your original policy plus the total period of all extensions must not exceed 24 months or 6 months on an *Economy Plan*.

Please note: You cannot extend an *Australian Plan*.

You must purchase the same plan as your original policy or a higher plan if required should you change your destination.

We will not provide cover on any extension for pre-existing medical conditions, even if previously accepted by us, or for any conditions you suffered during the term of your original policy or previous extensions.

2. Tell us about any claims

You must tell us of any claims made or pending, as well as any factors that could lead to a claim being made in the future, as an extension may not be available or special terms may be imposed.

If we accept your request for the extension, you can extend your policy by paying the premium we ask for.

We will issue you with a new Certificate of Insurance every time you extend your policy with us.

Your premium

1. How we calculate your premium

We calculate your premium on a number of factors, including:

- the length of your trip
- travel plan selected
- whether it is a *Singles* or *Doubles* cover
- your age
- any special conditions we have applied, including any additional amounts to cover a pre-existing medical condition.

Your premium will be listed on your schedule, including any Commonwealth and State taxes and/or charges (including GST and Stamp Duty where applicable).

2. How to pay your premium

You must pay your premium in one lump sum and we must receive your payment before you commence any travel. If we do not receive your payment before the start date of your period of insurance, you will not be insured.

We may cancel your policy if:

- you do not pay your premium, **or**
- your cheque or credit card is dishonoured by your financial institution.

3. Intermediary remuneration

CGU Insurance Limited pays remuneration to insurance intermediaries when we issue, renew or vary a policy the intermediary has arranged or referred to us. The type and amount of remuneration varies and may include commission and other payments. If you require more information about remuneration we may pay your intermediary, you should ask your intermediary.

4. Interest on unallocated premium

If we are unable to issue your insurance when we receive your application, we are required to hold your Premium in a trust account on your behalf until your insurance can be issued. We will retain any interest payable by our bank to meet, among other things, bank fees and other bank costs we incur in operating the account.

How To Make A Claim

1. Contact us or your insurance adviser

We will give you immediate advice and assistance with your claim lodgement, 24 hours a day, 7 days a week. We will ask you a range of questions to help us assess your claim.

Telephone: 13 24 80

You must tell us of any claims within 30 days of completing or cancelling your journey.

2. Provide us with all the information we need to assess your claim

We will need original medical, dental or Police reports, declarations, receipts, valuations or other evidence of ownership.

For medical or dental expenses, we will need written confirmation of your illness or injury from a qualified doctor or dentist.

For loss or theft of luggage items, we will need a copy of the report you lodged with the Police or other appropriate authority from where the loss or theft was reported, together with evidence of ownership, such as original receipts or operating manuals.

For delay of luggage we will also need written advice from your transport provider of the amount of compensation you are entitled to claim for the delay.

For cancellation or rescheduling expenses, we will need original receipts, tickets, or a letter from the travel agent showing any charges to re-arrange or cancel your journey, or a doctor's certificate or letter from the carrier.

To find out how we settle a claim, see the following ►

How we settle your claim

1. If we agree to settle your claim

The maximum amount we will pay for all claims in total under each section of the policy for the plan you have selected is shown under Plans Available to You (pages **6-8**) and What This Policy Covers (pages **16-36**).

If the cover under your policy is for *Doubles*, the limits that apply to the benefits is the maximum amount we will pay for all claims made by you and/or any other person covered under the policy.

Where we make a payment under this policy for acquisition of goods, services, supply or compensation, we will reduce the payment by deducting any input tax credit you are entitled to under A New Tax System (Goods and Services Tax) Act 1999.

Any claims that we pay will be in Australian dollars – the rate of exchange we will use will be the exchange rate applicable on the date you had your loss of expense.

2. If you need to pay an excess

If we settle your claim, we will deduct the amount of the excess from the amount we settle your claim for or we will ask you to pay the excess to us.

3. If we agree to settle your luggage claim

We will decide whether to:

- repair the luggage
- replace the luggage with nearest equivalent new luggage, **or**
- pay you the cost of repair or replacement.

We will not pay more than the original purchase price of any item. We will reduce the amount we pay:

- to allow for age, wear, tear and depreciation
- by any amount that we pay you for emergency purchase of clothing and toiletries, if you make a claim for both lost luggage and emergency purchase of clothing and toiletries from the same incident.

If we agree to settle your luggage claim any salvage becomes our property.

4. If we agree to settle your cancellation claim and you have used frequent flyer points or a similar scheme to purchase your ticket

We will:

- obtain the cost of an equivalent class airline ticket based on the quoted retail price at the time we assess the claim
- less your financial contribution
- then multiply this figure by the total number of points lost, **and**
- divide by the total number of points used to obtain your original ticket.

Please read **Excess that applies when you make a claim** on page 11 ◀

Steps to resolve a complaint or dispute

1. Talk to us first

If you have a complaint, the first thing you or your insurance adviser should do is speak to one of our staff. If your complaint relates specifically to a claim, speak with the claims officer managing your claim.

See **back cover** for contact details ►

If the staff member or claims officer are unable to resolve the matter for you, you or your insurance adviser may speak to a manager. If you are not satisfied with the decision you can go to step 2.

2. Seek a review

If the matter is still not resolved, the manager will refer you or your insurance adviser to the internal dispute resolution department who will conduct a review of your dispute.

If you are still not satisfied with the decision you can go to step 3.

3. Seek an external review

You are entitled to seek an external review of our decision. We can provide you or your insurance adviser with information on which options are available to you, such as referring you to the external dispute resolution scheme administered by the Financial Ombudsman Service (FOS).
