General Insurance Code of Practice 8

Our service commitment 9

Intermediary Remuneration 9

Section 1 Operative clause

In consideration of the payment of the premiums stated in the schedule the **Insurer** will provide indemnity in accordance with the terms, conditions and exclusions expressed.

Insuring Agreement A

1.1 Trust/Employer Reimbursement Cover

The **Insurer** will pay on behalf of the **Trust** and/or the **Employer** any **Loss** they become legally obligated to pay arising out of any **Claim** by reason of any **Wrongful Act** committed by the **Trustees** first made against the **Trustees** during the **Period of Insurance** and notified to the **Insurer** during the **Indemnity Period**.

Insuring Agreement B

1.2 Trustees' Liability Cover

The **Insurer** will pay on behalf of the **Trustees** any **Loss** they become legally obligated to pay, against which the **Trustees** may not be indemnified by the **Trust** and/or **Employer**, arising out of any **Claim** by reason of any **Wrongful Act** committed by the **Trustees** first made against the **Trustees** during the **Period of Insurance** and notified to the **Insurer** during the **Indemnity Period**.

The total limit of liability payable under Insuring Agreement A and/or Insuring Agreement B of this **Policy** shall not exceed the limit of liability as stated in the schedule.

Defence Costs

1.3 In addition to Insuring Agreement A and Insuring Agreement B this **Policy** provides cover in respect of legal costs and expenses incurred by the **Trustee** with the prior written consent of the **Insurer** in the investigation, defence, or settlement of any such **Claim**, provided that if a payment of a **Claim** is in excess of the limit of liability available under this **Policy** to dispose of a **Claim**, the **Insurer's** liability for such legal costs and expenses incurred shall be such a proportion as the limit of liability afforded by this **Policy** bears to the amount paid to dispose of the **Claim**. The maximum liability payable by the **Insurer** under this Section 1.3 shall be equal to the limit of liability specified in the schedule.

Section 2 Extensions

Unless specified expressly to the contrary, the extensions contained in this section are subject to all of the terms and conditions of this **Policy**.

Automatic Extensions

2.1 Advancement of Defence Costs

Where the **Insurer** elects not to take over and conduct the defence or settlement of any **Claim** in the name of any **Officers**, the **Insurer** shall meet the **Defence Costs** of any **Officers** in defending or settling any **Claim** made against them as they are incurred and prior to the finalisation of the **Claim** provided always that indemnity in respect of such **Claim** has been confirmed in writing by the **Insurer**.

Where the **Insurer** has not confirmed indemnity and it elects not to take over and conduct the defence of any **Claim**, it may, in its discretion, advance **Defence Costs** as they are incurred and prior to the finalisation of the **Claim**.

The **Insurer** reserves the right to recover any **Defence Costs** from the **Officers** and /or the **Body Corporate** severally according to their respective interests in the event and to the extent that it is established that the **Officers** and / or the **Body Corporate** were not entitled to the **Defence Costs** so advanced.

2.2 Libel and Slander

The **Insurer** shall indemnify the **Trustees** for their legal liability for any **Claim** arising from unintentional libel or slander by reason of words written or spoken by the **Trustees** while executing any of the functions of the **Trust**.

2.3 Loss of Documents

The **Insurer** shall indemnify the **Trustees** for loss or deprivation of or damage to **Documents** in the physical custody or control of the **Trustees**, or any other person to whom such **Documents** have been entrusted, lodged or deposited by the **Trustees** in their ordinary course of business.

The term "**Document**" for the purpose of this section shall mean: deeds, wills, agreements, maps, plans, records, books, letters, certificates, forms and documents of any nature whatsoever, whether written or printed or reproduced by any other method other than bearer bonds, coupons, bank notes, currency notes and negotiable instruments.

2.4 Extended Reporting Period

If the **Insurer** refuses upon request to offer any terms and conditions during the **Period of Insurance** the **Trust, Employer** or **Trustee** shall jointly (but not separately) have the right upon payment of an amount equal to 50% of the total expiring annual premium stated in the schedule to a once only extension of the **Policy** for a further 12 months immediately following the expiry of the **Period of Insurance** but only for any **Wrongful Act** committed or alleged to have been committed or attempted prior to the expiry of the **Period of Insurance**, provided always that the right to this extension is exercised prior to the expiry of the **Period of Insurance**.

2.5 Estates & Legal Representatives

The estates, heirs or legal representatives of deceased, incompetent or insolvent **Trustees** shall be indemnified in like manner to such **Trustees** provided always that they shall observe and be subject to all the terms and conditions of this **Policy** insofar as they are applicable.

2.6 Spousal Liability Cover

The **Insurer** agrees to pay on behalf of the lawful spouse of a **Trustee** all **Loss** in respect of a **Wrongful Act** by the **Trustee**. Provided always that the **Insurer** shall only indemnify the spouse for **Loss** arising from a **Claim** which:

- (1) is made against the spouse only because he or she is the lawful spouse of the **Trustee**; and
- (2) relates to property either jointly held by the **Trustee** and his or her lawful spouse, or transferred by that **Trustee** to his or her lawful spouse for legitimate purposes only.

2.7 Continuity of Cover

Notwithstanding Exclusion 3.2 of this **Policy**, the **Insurer** will indemnify any **Trustee**, for any **Claim** otherwise indemnified by this **Policy**, arising from a **Known Circumstance**; and

- (1) There has been no fraudulent non-disclosure or fraudulent misrepresentation by the **Trustee** in respect of such **Known Circumstance**; and
- (2) The **Insurer** was the Superannuation Trustees Liability insurer of the **Trustee** when the **Trustee** first knew of such **Known Circumstance**; and
- (3) The **Insurer** continued thereafter, without interruption, to be the Superannuation Trustees Liability insurer of the **Trustee** up until this **Policy** came into effect; and
- (4) Had the **Insurer** been notified by the **Trustee**, of the **Known Circumstance** when the

Trustee first knew of it, the **Trustee** would have been indemnified under the policy in force at that time and the **Trustee** would have (but for Clause 3.2 of this **Policy**) otherwise been covered by this **Policy**; and

- (5) Neither the **Claim** nor **Known Circumstance** have previously been notified to the **Insurer** or to any other insurer.

If the **Trustee** was entitled to have given notice under any other policy of insurance and thereby have an entitlement to indemnity, in whole or in part, then this Continuity of Cover extension does not apply to provide indemnity under this **Policy**.

The aggregate limit of the indemnity provided by the **Insurer** under this provision is the lesser available under the terms of the policy in force at the earlier time referred to in paragraph (3) above or under this **Policy**. The terms of this **Policy** otherwise apply.

2.8 Fraud & Dishonesty Extension

This **Policy** shall indemnify the **Trustee** for any **Claim** brought about or contributed to by any fraudulent, dishonest, criminal or malicious act or omission of any **Trustee** first discovered by the **Trustee** during the **Period of Insurance** provided always that:

- (1) the **Insurer** shall not provide any cover whatsoever to any **Trustee** committing, assisting or condoning the dishonest, fraudulent, criminal or malicious act or omission;
- (2) any moneys which but for a **Trustee's** fraud or dishonesty or criminal or malicious act or omission would have been payable to him including moneys recovered shall be deducted from the **Claim**.

2.9 Reinstatement of Aggregate Limit

Upon the **Insurer** having made **Loss** payments under the **Policy** up to the limit of aggregate liability stated in Item 5 of the schedule, the limit of aggregate liability shall be reinstated to the same amount, provided always:-

- (1) the reinstatement shall not apply to an existing **Claim** on which a **Loss** payment has been made, or to a subsequent **Claim** brought in respect of an event, or of an event related to an event, in respect of which a **Loss** payment had been made by the **Insurer** under another **Claim** before reinstatement;
- (2) if the **Trustees** have extra insurance in excess of this **Policy**, then the reinstatement shall not apply until the extra insurance has been exhausted.

Section 3 Exclusions

This **Policy** does not provide an indemnity for any **Loss** arising out of any **Claim**:

3.1 Dishonesty & Fraud

For or in respect of any **Trustee** who has committed, condoned or assisted in the wilful, dishonest, fraudulent, criminal, malicious act or omission or wilful breach of duty regardless of whether or not any advantage has been gained by the **Trustee**.

The **Insurer** shall have the burden of proof of establishing the existence of the subject conduct.

3.2 Known Claims & Known Circumstances

- (1) for known **Claims** as at the inception date of this **Policy**, or
- (2) arising from a **Known Circumstance**
- (3) directly or indirectly based upon, or attributable to, or in consequence of any such **Known Circumstance**.

3.3 Fines & Penalties

- (1) bodily injury, sickness, disease, or death of any person; or
- (2) destruction of or damage to tangible property (including the loss of use thereof).

3.5 Date Recognition

Notwithstanding anything contained to the contrary herein, this **Policy** does not provide an indemnity against any **Claim** arising from or in respect to the use in any way:

- (1) by the **Trust** and/or the **Employer**; or
- (2) by any supplier, past, present or future, of services or products to the **Trust** and/or the **Employer**, of any computer program, software products, computer data processing equipment or media, microchip, programmed logic controllers, integrated circuit or any electronic equipment which fails to:

- (a) correctly recognise any date as its true calendar date; or
- (b) capture, save or retain and/or correctly manipulate, interpret, or process any data, information, command or instruction as a result of treating any date otherwise than as its true calendar date; or
- (c) capture, save, retain or correctly process any data as a result of the operation of any command which has been programmed into any computer software being a command which causes a loss of data or the inability to capture, save, retain or correctly process such data on or after any date; or
- (d) otherwise fails to correctly or effectively provide for the change of date when the Year 1999 concludes and the Year 2000 commences.

Further, this **Policy** does not provide an indemnity against any **Claim** arising from or in respect to any duty owed by the **Trustees** in respect of any issue related to Year 2000 conformity as defined in the Standards Australia/Standards New Zealand SAA/SNZ MP 77 document.

3.6 Fines and Penalties

arising from or by reason of or directly or indirectly caused by or arising from fines and penalties imposed by law, punitive, exemplary or aggravated or multiple damages, income tax, customs duties, excise duty, stamp duty, sales tax or any other State or Federal tax or duty.

3.7 Asbestos

3.8 Pollution, Nuclear Risks, War & Terrorism

arising directly or indirectly from or caused by or contributed to by, or happening through or in connection with:

- (1) pollution or contamination howsoever and wheresoever occurring. For the purpose of this **Policy**, the term Pollution shall have the meaning ascribed to it in the Protection of the Environment Operations Act 1997 No 156 (NSW).
- (2) atomic energy operations employing the process of nuclear fission or fusion or handling radioactive material which operations include but are not limited to:
 - (a) the use of nuclear reactors such as atomic piles, particle accelerators or generators or similar devices; or

- (b) the use, handling or transportation of radioactive materials; or
- (c) the use handling or transportation of any weapon of war or explosive device employing nuclear fission or fusion.

Provided always that this Exclusion 3.7(3) shall not apply to any **Claim** arising from radio-isotopes or radium or radium compounds when used away from the place where such are made or produced and when used exclusively incidental to ordinary industrial, educational, medical or research pursuits; or

- (3) war, invasion, acts of foreign enemies, hostilities (whether war be declared or not), civil war, rebellion, revolution, insurrection or military or usurped power or confiscation or nationalisation or requisition or destruction of or damage to property by or under the order of any Government or Public or Local Authority, except to the extent that such an order arises as a result of any **Wrongful Act** committed by any **Trustee**.
- (4) any act of terrorism. Further there is no indemnity for any **Claim** arising from or related to any death, injury, illness, loss, damage, cost or expense of whatever nature directly or indirectly caused by, resulting from, or in connection with any action taken in controlling, preventing, suppressing or in any way relating to an act of terrorism.

Terrorism is defined as being an act, which may include but is not limited to an act involving the use of force or violence and/or threat thereof, of any person or group(s) of persons, whether acting alone or on behalf of or in connection with any organisation(s) or government(s), which from its nature or context is done for, or in connection with, political, religious, ideological, or ethnic or similar purposes or reasons, including the intention to influence any government and/or to put the public, or any section of the public, in fear.

Section 4 General conditions

4.1 Authorisation Clause

By acceptance of this **Policy**, the **Trustees** named in the schedule agree to act on behalf of the **Trustees** with respect to the giving and receiving of notice of cancellation, the payment of premiums and the receiving of any return premiums that may become due under this **Policy** and the acceptance of endorsements or other notice provided for in this **Policy** and the **Trustee** and each of them agree that the **Trustees** shall act on their behalf.

4.2 Severability & Non Imputation

For the sake of determining cover under this **Policy**:

- (1) the written proposal shall be construed to be a separate application for cover by each of the **Trustees** and no statement or representation in or with respect to the proposal by a **Trustee** shall be imputed to any other **Trustee**.
- (2) this **Policy** shall, subject to General Condition 4.8 (*Non-Accumulation*), be construed to be a separate policy between the **Insurer** for the one part and each **Trustee** for the other part and no breach of any term or condition of this **Policy** or other misconduct by any **Trustee** shall be imputed to any other **Trustee**.
- (3) no fact or knowledge possessed by one **Trustee** shall be imputed to any other **Trustee**.

Provided always that this Condition shall not apply where there was a fraudulent misrepresentation or fraudulent non-compliance with the duty of disclosure, to the **Insurer**, at the time of entering into the **Policy**.

4.3 Claims Co-operation

The **Trustees** shall use due diligence and do and concur in doing all things reasonably practicable to avoid or diminish any **Loss** hereunder, and shall immediately give all such information and assistance to the **Insurer** as it may reasonably require to enable it to investigate and to defend the **Claim** and/or to enable the **Insurer** to determine its liability under this **Policy**.

The **Insurer** may, on request from the **Insured** for indemnity under this **Policy**, take whatever action that it considers appropriate to protect the **Trustee's** position in respect of the **Claim** against the **Trustee** and such action by the **Insurer** shall not be regarded as in any way prejudicing its

position under this **Policy** and no admission of the **Trustee's** entitlement to indemnity under this **Policy** shall be implied.

4.4 Court Jurisdiction

It is further understood that this **Policy** shall be governed by the law of the State or Territory where this **Policy** was issued and whose courts shall have jurisdiction in any dispute arising under or in connection with or in respect of the provisions of indemnity under this **Policy**. For the purpose of this condition the place of issue stated in the schedule shall be conclusive.

4.5 Deductibles

The amount of relevant deductible stated in the schedule shall be applied to each and every **Claim** brought under Insuring Agreement A or Insuring Agreement B of this **Policy**.

Where the same **Wrongful Act** results in more than one **Claim** being made then only one deductible shall apply to any such **Claim** covered by this **Policy**. In the event of a **Claim** being based on separate, different or additional **Wrongful Acts**, then the relevant deductible shall apply in respect of each **Wrongful Act**.

4.6 Aggregate Liability

The **Insurer** shall only be liable to provide indemnity to the extent of the amount of the limit of aggregate liability stated in Item 5 of the schedule.

Any **Loss** arising out of all interrelated **Wrongful Acts** of any **Trustee** shall be deemed one **Loss** and such **Loss** shall be deemed to have originated in the earliest **Period of Insurance** in which a **Claim** is made against any **Trustee** by reason of any **Wrongful Act**.

Any costs incurred by the **Insurer** in investigating any fact, situation or circumstance which may give rise to a **Claim** shall be deemed for all purposes of the **Policy** to be **Defence Costs** incurred under the **Policy**.

Any amount paid by the **Insurer** in settlement of a dispute which may otherwise become a **Claim**, shall be deemed for all purposes of the **Policy** to be a **Loss** incurred under the **Policy**.

4.7 Paragraph Headings

The paragraph headings in this **Policy** are included for the purpose of reference only and do not form part of this **Policy** for interpretation purposes.

4.8 Non-Accumulation

The inclusion in this **Policy** of more than one **Trustee** shall not operate to increase the **Insurer's** limit of aggregate liability stated in the schedule.

4.9 Notice

Any notice required to be given under this **Policy** to the **Insurer** shall be validly and lawfully given if it is given to the **Insurer** in writing at the address or to the facsimile number stated in the schedule.

4.10 Gender & Number

Except where the context otherwise requires it, words importing a gender include every other gender, words in the singular shall include the plural and words in the plural shall include the singular.

4.11 QC Clause

Neither the **Trustees** nor the **Insurer** shall be required to contest any legal proceedings unless a Queen's Counsel or Senior Counsel (mutually agreed upon by the **Trustees** and the **Insurer** or in default of such agreement, selected by the Chairman or President of the local Bar Council) shall advise that such proceedings should be contested. In formulating his or her advice, Counsel shall take into consideration the economics of the matter, having regard to the damages and costs which are likely to be recovered by the plaintiff, the likely **Defence Costs** and the prospects of the **Trustees** successfully defending the action.

The costs of such Counsel's opinion shall, for the purpose of this **Policy**, be regarded as part of the **Defence Costs**. In the event that Counsel advises that, having regard to all the circumstances, the matter should not be contested but should be settled, providing settlement can be achieved within certain limits which, in Counsel's opinion, are reasonable, then the **Trustees** shall not object to any such settlement and shall co-operate with the **Insurer** to effect such settlement in accordance with this **Policy**.

4.12 Settlement Procedure

Subject otherwise to the provisions of the Insurance Contracts Act 1984, the **Trustees** shall as a condition precedent to the right to be indemnified under this **Policy** not admit liability for or settle any **Claim** or incur any costs or expenses in connection therewith or enter into settlement without the written consent of the **Insurer** who shall be entitled at any time to take over and conduct in the name of the **Trustees** the defence or settlement of any **Claim**. However, if the **Trustees** shall refuse to consent to any

settlement recommended by the **Insurer** and shall elect to contest or continue any legal proceedings in connection therewith, the **Insurer's** liability for the **Claim** shall not exceed the amount for which the **Claim** could have been so settled plus the **Defence Costs** incurred up to the date of such refusal.

4.13 Subrogation

In the event of any payment by the **Insurer** for a **Loss** under this **Policy**, the **Insurer** shall be subrogated to the extent of such payment of all a **Trustee's** rights of recovery thereof and the **Trustees** or any of them shall execute all papers required and do everything that may be necessary to enable the **Insurer** effectively to bring suit in the name of the **Trustees**.

4.14 Territory and Jurisdiction

- (1) The indemnity provided by this **Policy** extends to **Wrongful Acts** occurring anywhere in the world.
- (2) The indemnity provided by this **Policy** extends to **Claims** made anywhere in the world, except:
 - (a) actions brought in or determined pursuant to the law of, the United States of America or the Dominion of Canada, or their Territories or Protectorates; or
 - (b) any **Claim** arising out of the enforcement of judgements, orders or awards obtained in or determined pursuant to the laws of the United States of America or the Dominion of Canada, or their Territories or Protectorates.

4.15 Other Insurance

Subject to the Insurance Contracts Act 1984 where a **Trustee** is entitled to indemnity pursuant to a separate policy of insurance more specifically providing cover in respect of the **Claim** this **Policy** does not respond except to the extent that the **Trustee's** liability for any **Claim** exceeds the amount of cover under such other **Policy**.

4.16 Cancellation

- (1) Under Section 60 of the Insurance Contracts Act 1984 the **Insurer** may cancel this **Policy** at any time, by giving notice in writing to the **Trustee** of the date from which cancellation is to take effect where a **Trustee** has:
 - (a) failed to comply with its duty of utmost good faith; or
 - (b) failed to comply with its duty of disclosure at the time when this **Policy** was entered into, varied, altered, or renewed; or

- (c) made a misrepresentation to the **Insurer** during the negotiations for this **Policy**, but before the **Insurer** agreed to issue this **Policy**; or
- (d) failed to comply with a provision of the **Policy**; or
- (e) failed to pay the premium for this **Policy**; or
- (f) made a fraudulent claim under this **Policy**, or any other contract of insurance (whether with the **Insurer** or another **Insurer**) that provided cover during any part of the **Period of Insurance** of this **Policy**; or
- (g) failed to comply with a requirement in this **Policy** that the **Trustee** notify the **Insurer** of any **Wrongful Act** committed by a **Trustee** which occurred after this **Policy** was entered into; or
- (h) failed to notify the **Insurer** of any **Wrongful Act** committed by a **Trustee** or such notification as is required under the terms of this insurance **Policy**.

The **Insurer** may deliver this notice to the **Trustee** personally, or post it by certified mail (to the **Trustee's** broker or to the address the **Trustee** last gave the **Insurer**). Proof that the **Insurer** mailed the notice is sufficient proof that the **Trustee** received the notice.

- (2) Under Section 60 of the Insurance Contracts Act 1984, the **Insurer** may cancel this **Policy** at any time where:
 - (a) it is in force by virtue of Section 58 of the Insurance Contracts Act 1984; or
 - (b) it is an interim contract of general insurance.

After cancellation, the **Insurer** will refund the premium for the time remaining on the **Policy**, less any non-refundable duties, unless a **Trustee** has made a fraudulent claim under the **Policy**.

4.17 Legal Enforceability

For this **Policy** to be legally enforceable, it must include a schedule that has been appropriately signed by an officer of the **Insurer**.

4.18 Goods and Services Tax

Where the **Insurer** makes a payment under this **Policy** for the acquisition of goods, services or other supply the **Insurer** will reduce the amount of the payment by the amount of any input tax credit the **Trustee** is, or will be, or would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999, in relation to that acquisition, whether or not that acquisition is actually made.

Where the **Insurer** makes a payment under this **Policy** as compensation instead of payment for the acquisition of goods, services or other supply, the **Insurer** will reduce the amount of payment by the amount of any input tax credit that the **Trustee** would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 had the payment been applied to acquire such goods, services or other supply.

CGU Insurance is proud of its service standards and supports the General Insurance Code of Practice. In an unlikely event that you are not satisfied with the way in which we have dealt with you, as part of our commitment to customer service, we have an internal dispute resolution process in place to deal with any complaint you may have.

Please contact your nearest CGU Insurance office if you have a complaint, including if you are not satisfied with any of the following:

- one of our products;
- our service;
- the service of our authorised representatives, loss adjusters or investigators; or
- our decision on your claim.

Our staff will help you in any way they can. If they are unable to satisfy your concerns, they will refer the matter to their supervisor or manager. If the manager cannot resolve the matter, the manager will escalate the matter to our Internal Dispute Resolution Department.

Brochures outlining our internal dispute resolution process are available from your nearest CGU Insurance office.

Intermediary remuneration
