

CGU WORKERS COMPENSATION

Injury Management Training for Employers (One day course)

Ineffective injury management can cost businesses in terms of productivity and workers' compensation claims. CGU are committed to helping employers reduce time lost injuries and workers' compensation costs by increasing their knowledge and skills in injury and return to work management.

As part of this commitment CGU offer an employer training package designed to increase the knowledge and skills of employers to effectively manage workplace injury and return to work programs in their workplace.

What topics are covered?

- Overview of the Workers Compensation System
- Claims lodgement process with CGU
- What is Effective Injury Management
- Employer's legal obligations in Injury Management
- Identifying suitable duties
- Return to Work Programs
- Complex Injury Management and identifying high risk claims
- Dispute resolution and settlement process
