

WE AGREE WITH YOUR RIGHT TO DISAGREE

We're committed to helping you receive the best possible care and support during the life of your claim. However, from time to time, you may not agree with a decision made in relation to your claim. To make sure we act promptly to address your concerns, we have a dispute resolution process in place.

A satisfactory outcome is in everyone's interest.

THE PROCESS

If you haven't been able to resolve your dispute with the person handling your claim, a senior officer can help. Simply request the senior officer listed on this notice to refer the matter to the Internal Dispute Resolution Panel.

The Panel will investigate and try to reach a satisfactory outcome. They will:

- Review the material relied upon to make the decision.
- Consider any other material already on the claim file.
- Contact you and your employer to request any further material that may be relevant.

You will be advised in writing of our final decision, normally within five working days.
