Find out more and watch a video of the app on YouTube. Search for "An introduction to the Victorian Injury and Claim Support app".

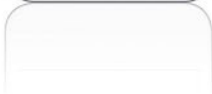

CGU

The app is simple to use and will guide you through the workers' compensation process. Wherever you are, the information is at your fingertips.

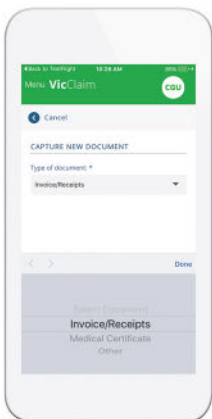

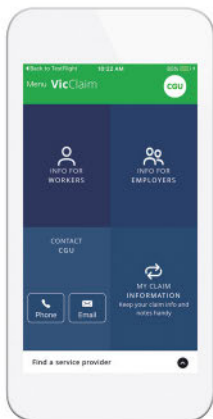

The app has important information to step you through the claims process.

Whether you are a worker or an employer, you can find the information you need.

Add claim notes and record contact details for direct phone and email contact with your case manager.

If you are a worker and your claim has been accepted, you can use the app to photograph documents and send them to your case manager.
